What Is The Product Voucher Programme?

As a PartyLite Affiliate, you have the opportunity to receive further incentives based on the amount of AV Sales (Affiliate Volume) submitted in any calendar month. AV Sales are the sum total of Personal (PV) and Customer (CV) Sales volumes.

How Do I Achieve Vouchers?

Product Vouchers are achieved based on every £100 AV* Sales (Affiliate Volume) submitted in any calendar month. For example:

£100 AV Sales	£5	£500 AV Sales	£25
£200 AV Sales	£10	£600 AV Sales	£30
£300 AV Sales	£15	£700 AV Sales	£35
£400 AV Sales	£20	£800 AV Sales	£40

Your Product Vouchers are delivered in denominations of £5 and there is no limit to what you achieve – it is un-capped! Therefore, the more AV Sales you have in any one the month, the more you have to redeem the next!

These Vouchers are a great way to help market your business. You can use yourself to purchase essentials items or download the email template from the Resource Centre and use them within your business!

What are you missing? More customers, more new Affiliates or perhaps a sales gap. These vouchers should be viewed as your Marketing budget and it's up to you how and where you use them!

*AV Sales = Personal Volume (PV) + Customer Volume (CV) .

When Do I Receive The Vouchers?

The achieved value of Vouchers will typically appear on your Performance Dashboard on the first Monday of every month (including Bank Holidays). For example:

May 2021 Sales	Vouchers delivered Monday 7 th June

Dates will be highlighted in both the monthly Marketing & Training Calendar together with being included in the payment schedule calendar. Both can be found on the Training Resource Centre.

Product Vouchers will expire 30 days after being delivered to your Performance Dashboard. Any used vouchers will also disappear ensuring no duplication of vouchers occurs.
